BEA DESTINATIONS

Golden hour trip-prep worksheet

Plan one photo session at a time. Light and access vary by date and location.
Sunrise and sunset times are references, not a guaranteed window of good light.

Place and light

Location / date / local time zone:

Sunrise or sunset time and source:

Subject and direction of light:

Primary spot and backup spot:

Access and timing

Opening hours / permits / trail restrictions:

Travel and walking time:

Arrival time, with buffer:

Latest safe return and transport connection:

Conditions and preparation

Forecast, wind and cloud cover checked at:

- ☐ Charged batteries / memory space / lens cloth
- ☐ Layers / water / headlamp / offline map

Route and return plan shared with:

After the session

What worked:

What to change next time:
